COUNTY GOVERNMENT OF BARINGO

DEPARTMENT OF INDUSTRIALIZATION COMMERCE, COOPERATIVES TOURISM & ENTERPRISE DEVELOPMENT

OPEN TENDER – NATIONAL (RE-TENDER)

About CAIPs

In order to create an all-inclusive, job creating economic model that invests in Kenya's rich Agro resources, The National Government through the Ministry of Investments, Trade and Industry (MITI) and Devolved Governments through Council of Governors (COG) have established the County Aggregation and Industrial Parks (CAIPs) in line with the bottom-up economic transformation agenda. This is a farmer centric and export-oriented approach to ensure small scale farmers and producers contribute to the aggregation, marketing and export of produce from across the country. CAIPs will boost overall national Agro- processing, increase farmer Income, create jobs, reduce post-harvest loss, connect counties through commodity exchange (KOMEX) & warehouse receipting, and consolidate Kenya produce for the export market. The CAIP will have minimum of four manufacturing sheds of 4,000sqms, thus devolving manufacturing capacity. In addition, there will be an Aggregation centre of 4,000sqms which shall have cold storage facilities to prevent post-harvest losses.

The County Government of Baringo together with The Council of Governors and the State Department for Industry now invites interested and eligible bidders to tender for the Proposed County Aggregation & Industrial Parks at Kimose Area, Mogotio Sub-County
